The purchase of a membership helps fund the BRMBA. There is a long list of expenses that our organization is faced with on a regular basis. From the purchase of nails and hammers, to fuel for the chainsaws, our organization carries the financial burdens of running the Black Rock trails. Many of these expenses are obvious, such as portable toilets. Other expenses like defense insurance coverage are not so obvious.

We as an organization are asking all riders who treasure this riding destination to become supporting members and help us improve our organization. For \$40 you will receive a membership card with your name on it, as well as two BRMBA members edition stickers to identify you as a trail supporter. In addition to the satisfaction of having supported the organization responsible for this one of a kind location, BRMBA members will receive discounts at selected local businesses.

The cards and stickers will change each year, so you can collect them for bragging rights. Each membership will be valid for one year from the date the order is processed. To become a member, download the Membership Registration Form and send it to our address along with a \$40 check or money order. If you would prefer to pay by credit card, click on the Paypal button at the bottom of the page. All members, regardless of how you pay, will need to fill out an application.
