---

The build day for this Sunday, April 24th, has been rescheduled for the following **Saturday April 30th**

This change is due to the fact that the original build day was scheduled on Easter Sunday. We hope that this change will allow for a better turnout!

**This is the LAST scheduled work day for Spring** please help come out to help with the final cleanup - prep for the summer riding season. Volunteers needed to help check trails for fall zone cleanup, fill brake-jack holes, drainage and throw dirt on berms, jumps and landings. Bring tools if you have them (like rack, shovel or handsaw). If questions call Rich at 503-510-3403.

As an side note, there will be no race at Black Rock in April. Plans continue for a May date, however nothing official has been posted as of yet. We will be sure to update as soon as possible.
